

COLORADO ENVIRONMENTAL HEALTH ASSOCIATION

Summer 2010

Dear Sir or Madam:

The Colorado Environmental Health Association (CEHA) is holding its 55th Annual Education Conference (AEC) September 27 – September 30, 2010 at the Doubletree Hotel – World Arena in Colorado Springs, Colorado. CEHA is a non-profit organization that has over 300 members comprised of local and state health department professionals and industry representatives. CEHA is educationally structured, providing scholarships, one-day workshops, and an Annual Education Conference to educate and inform environmental health professionals and related industry professionals. Issues relating to environmental health include food borne illness, drinking water, onsite waste water treatment, zoonosis (plague, encephalitis, rabies, tularemia), bioterrorism, air quality, disease prevention in childcare and institutional settings, hazardous waste, pollution prevention, and environmental planning. Through CEHA, members are able to enhance training, establish contacts throughout the state, exchange information, and discover new practical solutions to environmental health issues.

In order to make our conference a success, we are turning to local businesses for support. **We are soliciting donations for our silent auction to benefit CEHA's scholarship fund, which provides students financial assistance for educational and leadership opportunities in the Environmental Health profession.** If your business can provide any gift certificates, gift baskets, or other auction items, please contact me at (303) 783-7134 to arrange for pick-up or drop-off of your donation. The conference will formally recognize all businesses for their support, at the close of the auction. Please feel free to include any promotional or advertising literature along with your donation.

Our brochure for CEHA's Annual Education Conference and a scholarship announcement can be viewed at www.cephaweb.com. I hope these documents will help illustrate the value of the event we are planning. Thank you for your consideration. Please do not hesitate to contact me with any questions, comments, or concerns.

Sincerely,

Laura DeGolier, MPH, REHS
CEHA Annual Education Conference Planning Committee Member
Silent Auction Coordinator
